*RTP (Right to Print) impressions for John Baldessari's nine *Emoji Series* images were approved and signed on October 11, 2017. Edition-printing on all nine was completed by March 2018; six editions were signed over a period of several months, however by September 2018, Baldessari was unable to proceed with signing any current or future editioned prints. Baldessari along with his Studio are developing an alternative method for applying his imprint and impression number to three editions from this series marked with an *on our checklist (specifically, "WHISKEY IN THE JAR", "SIXTEEN SALTINES" and "BOSS"). The "signing" procedure will be confirmed and applied shortly.
